

Good News about Our Schools

December 2017

Congratulations Lisa Lynn 3rd Grade Teacher Harnett Primary School

Congratulations Sarah Wells 6th Grade Science /Social Studies Teacher Dunn Middle School

Mrs. Lynn was nominated by Wendy Jones a colleague and friend. The nomination stated, "Mrs. Lynn is a very dedicated and hard-working teacher. She is a tough disciplinarian but all her students always love and respect her. Even students she has had in the past remember her and come to see her as often as they can. She is the best teacher in math that I have ever seen. Her dedication and enthusiasm is an inspiration to all at Harnett Primary. I am a lucky person to call her friend!"

Ms. Wells was nominated by her colleague Leslie Weaver. The nomination stated, "Sarah is new to our school this year and middle school as a whole and she has completely embraced the challenges associated with such a change. She is so positive towards all of her students and advocates for their every need when necessary. Sarah has gone above and beyond in developing relationships with students and staff and has proven to be a strong and supportive team member to the teacher with whom she works. She never hesitates to help in any area of the school, even if it is something not required by her position. She has volunteered to help with coaching basketball in hopes of learning more about it to be the head coach next year. She puts 100% of herself into her school and students. DMS definitely hit the jackpot by gaining her as a teacher. There aren't enough words to describe her value as an educator, mentor and colleague. She is absolutely most deserving of this award!"
