

# Good News about Our Schools

## January 2018

### **Congratulations Denise Jarrell Parenting & Child Development Triton High School**

Mrs. Jarrell was nominated by Triton Principal Chip Mangum. The nomination stated, "We wanted to show our respect and love for Triton's own Denise Jarrell. Her smile and friendly greeting has given many students the courage to continue on their education journey, and her many years of service and devotion to education. May her new beginning be filled with happy memories of the years she spent contributing to the success of Triton. Two important things in Denise's life that have made her a wonderful person and excellent teacher are her strong faith in God, and her love for her family and pupils. These characteristics have spilled over into teaching her subjects with a passion and enthusiasm. Her own teaching skills, made it easier and fun for every student to contribute actively thereby making her class an engaging one for all. She has put in great efforts in instilling tolerance, kindness, patience onto future generations. She has worked tirelessly in getting students involved and interested in learning. Denise has worn many hats including as a cheerleader coach, Miss Triton Pageant coordinator, FCCLA Club Advisor, simulated baby provider and presenter of information."

### **Congratulations Brianna McKiver 4th and 5th Grade Life Skills Teacher Wayne Avenue School**

Ms. McKiver was nominated by the staff of Wayne Avenue School. The nomination stated, "Wayne Avenue is so fortunate to have Ms. McKiver as the Life Skills teacher. Ms. McKiver has a heart of gold and she loves her students with every ounce of it. She teaches her students to be polite, courteous and independent. She is constantly having them on task and she does not accept anything other than their best. It is quite evident that her students love her. When you see them run off the bus and give Ms. McKiver hugs, you then know that there are relationships being built. Ms. McKiver is well-deserving of this award. Congratulations to her!"

## Harnett Primary School

Harnett Primary is in need for their "Emergency Clothes Closet" to be able to provide extra clothing due to an accident. You can help by donating various sizes of clothing and undergarments, including socks, for boys and girls. Drop donations at the school office 800 W Harnett St.

Would you like to be a Book Buddy to a student? Please consider volunteering. Contact the school at 910-892-0126, and they can match you to a student, or in another area of the school in need. Their teachers will gladly use any help.

## Dunn Middle School

Dunn Middle School's Mock Trial Team placed fifth place in the state. Way to go DMS! The students shined from opening statements to closing arguments, direct and cross examinations, objections and Rules of Evidence, the roles of witnesses and attorneys, and everything in between!
