

Good News about Our Schools

May 2017

Ashley Musgrave
4th & 5th Grade Music Teacher
Wayne Avenue School

Andrea Hall
Kindergarten Teacher
Harnett Primary School

Ms. Musgrave was nominated by the Wayne Avenue School Staff. Her nomination stated, "Ms. Musgrave has worked faithfully with students in the classroom on their love of music. She was coordinator of several programs this year such as 4th Grade Musical, 5th Grade Musical, Harnett Off Broadway and All County Chorus. Ms. Musgrave leads with the confidence and competence of a veteran educator. We share her musical skills with Angier Elementary and both schools are fortunate to have her."

Ms. Hall was nominated by Carolina Smith a co-worker at Harnett Primary. In her nomination Mrs. Smith stated, "Ms. Hall is a dedicated teacher always willing to help her students and differentiate her teaching to meet individual needs. As a Kindergarten teacher working with struggling readers, she identifies the academic standards required but also provides creative options for students to develop content mastery. By doing so, she gets her students excited about learning and provides opportunities for students to develop a personal connection and love of learning. Ms. Hall has been a strong model for so many of her fellow educators, and especially me. Thank you for always sharing your talent and knowledge!"

To see camp details including dates, times and prices, visit www.capefearchristianacademy.org/summer-of-fun or call the school at (910) 897-5423.

Dunn Middle School

On May 9, Mr. & Mrs. Warren, owners of **Heath's II Steakhouse**, worked together with Mrs. Gottfried the ESL teacher at Dunn Middle School to provide 12 students a wonderful opportunity. The Warren's invested in the teenagers of Dunn by providing lunch, spending time with the students getting to know them and encouraging them to do well in school. It was a great opportunity for the students to interact with professionals, practice table etiquette, and experience one of the finest restaurants in Dunn.

Harnett Primary School

Harnett Primary students were honored to sing at Angier's first annual Unity Day Celebration, on May 21, 2017. The students, under the direction of Mrs. Susan Busch, received many compliments, as they learned about community pride and citizenship.

First Grade students honored their mothers with a "Mother's Tea." The students sang songs, read poems, and served tea and refreshments for their moms.

Harnett Primary has been selected to offer the 2017-2018 Kindergarten students an opportunity to participate in a Dual Immersion Program. This program will prepare students to learn, work and lead in a competitive, multilingual, ever-changing environment. Students entering into this program will be given an opportunity to take advantage of the optimal time to learn a language and develop an appreciation and understanding of diverse culture, peoples, and perspectives in the world. Applications can be found on Harnett Primary's website.

Harnett Primary is very proud of the hard work their students have done this year. As the school year closes, they will celebrate student successes with Awards Day, an outing to Tyler Park, and an EOG Jam and cookout. This school year has been awesome!

 **Central Carolina Community College**
Harnett County Small Business Center
Triangle South Enterprise

Do you have a child who is interested in theatre? HRT has two wonderful opportunities for them in July! They have their Summer Workshop for Children from July 10-29, from 1 to 5 p.m. This workshop is for children 8 to 18 years old. The production for this year is "Madagascar Jr."

Is your child not quite old enough for the main workshop? HRT is offering a 2-week mini camp for children 5 to 7 years old. The workshop will start on July 10th. It runs from 9 to 11:30 AM. The presentation will be "Junglebook Kids" and the workshop will be led by Bonita Langston.
