Mr. Fipps was nominated by THS Principal Ryan McNeill. The nomination stated “I would like to nominate Jacob Fipps for the Golden Apple. Mr. Fipps started teaching last year at Triton and immediately made a positive impact on the CTE department. He makes instruction relevant and rigorous for his students. He is an active leader in FFA, working with different teams and competing in regional, state, and national events. Mr. Fipps is able to do all of these extra-curricular activities while still making sure that his students are successful in his classroom. He is a great representative of Triton High School and has helped make us better in a very short time.”

Mrs. Raynor was nominated by her Assistant Principal Dawn Manship. The nomination stated, “It is my honor to nominate Maggie Raynor for the Dunn Chamber Golden Apple Award. If you were to look up team player in the dictionary, you would see a picture of Mrs. Raynor. She is always willing to do whatever needs to be done to help her students, her coworkers, and her school. Mrs. Raynor has served, for the past two years, as a coach for Wayne Avenue’s First Lego League team, selflessly giving of her time after school and on the weekends. Mrs. Raynor also serves as the chair of Wayne Avenue’s Relay for Life team. She is always smiling and a beacon of positivity. Mrs. Raynor’s love for her students is obvious as you watch her teach and interact with them throughout the school setting. She is truly amazing and Wayne Avenue is blessed to call her a Bulldog.”
