

Committee Involvement Information Committee Preference Form

The Chamber needs volunteers to achieve our many accomplishments each year. Last year, we had more than 150 volunteers help us reach our goals. As we begin planning for the upcoming year, we invite you to consider active involvement in one or more of the many committees it takes to make the year a success. Please consider signing up for an area that interests you.

Help us make a difference in our city, community, and county. By your involvement, you are not only helping the Chamber and our Community, you will benefit your business through the valuable contacts you make.

Please review the descriptions and time commitments of each committee on the other side. We have tried to estimate the time and commitment needed for each committee.
