Triton, Dunn Middle, Midway High, Midway Middle Schools and Cape Fear Christian Academy all painted stools and/or toy chests for the Fifth Annual Christmas Gala presented by BB&T for the Dunn Area Chamber of Commerce. The furniture pieces were auctioned off in the silent auction on November 18 to raise money for the Chamber. These pieces were a huge hit with all the guests and brought in a good amount of money. Pictured below are the artists with their painted pieces.

Pictured with painted stools are Dunn Middle Students Deonte McLean and Nate Forkey

Harnett Primary School

The Dunn Chamber's Education Committee donated jester hats to a new program to promote attendance at Harnett Primary and Wayne Avenue Schools. Students will earn their teachers wearing their hats through perfect attendance in each classroom. When the students at Harnett Primary spell Leaders by perfect attendance, their teacher will wear the jester hat all day. Wayne Avenue classrooms will spell out Bulldogs through perfect

attendance for their teacher to wear the jester hat. If the entire school has perfect attendance, all staff at that school will wear their jester hats for an entire day. Hats were purchased for all staff at both schools by the Chamber's Education Program Sponsors. Pictured left to right: Dunn Chamber Vice President of Education Heather Williams presenting the hats to the schools; Hugh Bradham, Principal at Wayne Avenue School; Angie Wood, School Social Worker; and Sabrina Hendley, Principal at Harnett Primary School.

The official Kickoff for the Attendance Program was held on November 7 as students gathered to watch teachers launch in a Hot Air Balloon provided by REMAX/Signature Realty. The students had a wonderful time watching the balloon being inflated and then taking off with teachers representing each grade level.

Dunn Middle School Receives Laptops

Jeff Pitman with the Harnett County Schools made the announcement at the State of the Schools Luncheon held in October that Dunn Middle School will be receiving laptops for each student and teacher through a achievement grant. Dunn Middle School Principal Tina Tasker was credited for putting the application together for the grant.
